About this guide

This guide contains detailed information on the insurance coverage and options available for Law Society **LAWYERS** and others insured under the **LAWPRO** professional liability insurance program in 2025.

This guide is part of the New Applicants Application Form (the long-form of the application form). It has been divided into sections and numbered questions that correspond to the Application Form. For example, for detailed information on Application question #15.(A) – Practice options in Section C, refer to Section C, item 15.(A) on page 11 of this guide.

Where possible, instructions will be provided for both the online Application and the paper Application Form.

ALL LAWYERS MUST FILE AN APPLICATION OR EXEMPTION FORM

The by-laws of the Law Society of Ontario (Law Society) require that all LAWYERS of the Law Society annually confirm their status with LAWPRO for the purposes of professional liability insurance coverage by filing either an Application Form or an Exemption Form.

Your current employment status will help determine which form you must file, and how best to proceed with filing either an Application or Exemption Form.

This booklet provides some guidance to help you determine whether you must file an Application or Exemption Form, explains your filing options and provides an overview of the insurance program.

E-file your Application or Exemption Form

To streamline the filing process, we encourage you to use our website — lawpro.ca — to file your Application or Exemption Form. E-filing takes only minutes, and ensures your insurance coverage is in place the day you commence the practice of law.

To file, follow the steps below:

Step 1: Sign in or establish your unique password

- Step 1: Log in or register for My LAWPRO
- Go to lawpro.ca and click on the LOGIN link to access our secure online filing portal
- Your username is your Law Society number (e.g. 98765A)
- If you are newly called to the Ontario bar, click on Register and follow the directions, or contact LAWPRO Customer Service at 416-598-5899 or 1-800-410-1013 for assistance.
- Be sure to confirm that your email does not block communications from the domain @lawpro.ca, and add the domain to any safe senders lists

Step 2: Select the online filing option that applies to your situation (see pages 3-4 for details)

- From the list of options provided, select the form you intend to complete, either
 - Apply for Professional Liability Policy; or
 - Apply for an Exemption.

Step 3: Complete the selected form by following the on-screen filing instructions

- You will have on-screen access to any information you need on the insurance program and options available to you.

Determining which form you must file with LAWPRO

If you are entering* or returning to private practice

All Law Society LAWYERS who are in private practice are required to maintain professional liability insurance coverage through LAWPRO, and must complete and file/return the New Applicant Application Form.

If you are joining a LAW PARTNERSHIP or LAW CORPORATION – Not Sole

Please consult your office manager/administrator before completing your liability insurance application to assist you in completing Section C – Coverage Options, and Section D – Premium Payment Option.

If you are practising as in-house counsel, as a government LAWYER, in education or in a legal aid clinic funded by Legal Aid Ontario

Employed LAWYERS who are not practising law for parties other than their employer are generally eligible to claim an exemption from paying the insurance premium. To apply for an exemption, please review the Rules for Exemption Eligibility on the Application for Exemption, and complete and file/return the Exemption Form (found at the end of this booklet) to LAWPRO.

If, as part of your employment, you occasionally provide professional services to your employer's customers, clients or other unrelated third parties, you are essentially providing services in private practice and must pay the insurance premium. While LAWYERS employed or working as a volunteer in a legal aid clinic funded by Legal Aid Ontario may provide professional services to their legal aid clients in their capacity as such, without obligation to carry practice coverage under the program, they would be required to purchase the program coverage for professional services provided in any other capacity. LAWYERS who feel they are exempt but are concerned that their ongoing legal activities could expose them to potential CLAIMS or CIRCUMSTANCE(S) this year and in the future may want to consider buying the standard insurance coverage.

Insurance coverage if exempt

Note that if you apply to exempt yourself from paying insurance premiums, you will have no LAWPRO insurance coverage for PROFESSIONAL SERVICES you provide while exempt. For additional information and a copy of our *Insurance Matters* booklets which provide additional information for exempt LAWYERS, please visit our website at lawpro.ca and select the Type of Practice that applies to you. You can also contact our Customer Service Department at 416-598-5899 or 1-800-410-1013.

The only exceptions to the foregoing are with respect to PRO BONO SERVICES provided through an approved *pro bono* program associated with Pro Bono Ontario, certain mentoring services provided pursuant to LAWPRO-approved risk management protocols, and/or certain services as estate trustee, trustee for *inter vivos* trusts, or attorney for property, where coverage has been separately applied for and granted. For more information contact LAWPRO Customer Service.

*** Premium discount:** LAWYERS newly practising law may receive a 50 per cent discount from the standard base rate in their first full year of practice. Please note that LAWPRO has a minimum premium that limits total discounts for the New Lawyer, Part-Time and Restricted Area of Practice options to 50 per cent of the base premium. In other words, selecting more than one of these practice options does not entitle you to a greater premium discount.

If you are not practising law

LAWYERS who are not practising law may apply to exempt themselves from the payment of insurance premiums. However, to exempt yourself, you must complete and file/return the Exemption Form, as per instructions on the previous page.

Insurance coverage if exempt

If you are newly called to the Bar and choose not to practise law, you will have no insurance coverage.

If you are not practising law and are applying for exemption, but have practised in the past in Ontario and purchased the program coverage, you will have in place only limited Run-Off Insurance Coverage of \$250,000 per CLAIM/in the AGGREGATE (not reinstated annually); this coverage applies only to CLAIMS that arise out of services provided while you were in practice in Ontario in the past when you purchased the program coverage.

For additional information and a copy of our *Insurance Matters* booklet which provides additional information for exempt LAWYERS, please visit our website at lawpro.ca and select the Type of Practice that applies to you. You can also contact our Customer Service Department at 416-598-5899 or 1-800-410-1013.

Gross Billings

- Gross Billings is the total actual billings of the LAWYER or LAW FIRM for the most recent completed fiscal year. (These should appear in the financial statements as fees billed net of bad debt write-offs.)
- Include in this amount any legal-related billings made by non-lawyers who are directly or indirectly employed, whether through management, other companies or otherwise by your LAW FIRM, or by any LAWYER(S) in the law firm, or by any spouse.
- HST and disbursements including the real estate and civil litigation transaction levy surcharges (if disbursed) should not be included in the Gross Billings calculation.

¹ "Full year" of practice is deemed to be at least 200 days in practice.

Actual Gross Billings

Your actual billings in the most recent completed fiscal year (for which numbers are available), including your share of any non-lawyer billings as described on the previous page.

Average Gross Billings

- Add the Actual Gross Billings of partners, associates, and all other EMPLOYEES of the LAW FIRM in the fiscal year, as described on the previous page.
- Divide the total Actual Gross Billings of the LAW FIRM by the Average Number of LAWYERS within the LAW FIRM in the fiscal year.

Average Number of LAWYERS

Add the number of LAWYERS in practice in the LAW FIRM at the beginning of the fiscal year, and the number of LAWYERS in practice in the LAW FIRM at the end of the fiscal year, and divide by two.

6. Total number of hours of professional time (best estimate, docketed and undocketed hours) spent in private practice during the last fiscal year

Include all time which you devoted to the practice of law in Ontario and other jurisdictions in Canada (other than Québec, see pages 11 and 12 for details), including time spent, for example:

- in actual practice;
- providing volunteer PROFESSIONAL SERVICES (except *pro bono* PROFESSIONAL SERVICES provided through a LAWPRO-approved program associated with Pro Bono Ontario);
- board-related activities if acting as a LAWYER; and
- travelling in your capacity as a LAWYER.

For clarity, this would include time in regard to services for which you are responsible as a LAWYER that arise out of your activity as trustee, administrator, executor, arbitrator, mediator, patent or trademark agent and certain mentoring services provided pursuant to LAWPRO-approved risk management protocols.

Do not include other time spent on continuing education courses or as a board director (unless also acting as a lawyer), or time devoted to business development or social time with clients.

If you are newly called to the Bar for the first time, enter 0.

8. Name of PERSONAL LAW CORPORATION

Some LAWYERS have formed their own individual LAW CORPORATION, which they use to practise in a LAW FIRM with other LAWYERS. If you practise in a LAW FIRM through a PERSONAL LAW CORPORATION, indicate the name of the PERSONAL LAW CORPORATION on your Application.

For clarity, if for example you have formed your own LAW CORPORATION which acts as a partner in the LAW PARTNERSHIP in which you practise, that would be considered to be a PERSONAL LAW CORPORATION. Issues to consider when acting as LOCUM (for questions 15-16)

If you are acting as LOCUM you are responsible for ensuring that you have in place E&O insurance protection with appropriate coverage options that reflects your LOCUM work, as well as your own law practice that you may still be conducting.

This is because, as a LOCUM, you are standing in for another LAWYER to cover or run the LAWYER'S law practice while away. In this replacement capacity you are considered a member of the firm that has hired you (the contracting firm) and should expect to be viewed as such by clients and others. Insurance requirements, options and coverages all need to be considered in this light.

Some issues to consider include:

1. Your current insurance coverage and options under the Law Society program

- Do the practice and coverage options in place for you under the program still apply? If you opted for the Restricted Area of Practice option but your LOCUM work is not confined to only criminal and/or immigration law, you no longer qualify for this practice option.
- If you had qualified for the Part-time Practice option, but now will be working full-time (whether as a LOCUM for a single LAWYER, or for more than one LAWYER, or in addition to your own personal law practice), you need to have this practice option removed before practising on a full-time basis.
- If your LOCUM work is to include the practice of REAL ESTATE LAW, you need to apply for and be granted the Real Estate Practice Coverage Option.

2. The potential need for increased Innocent Party Coverage under the Law Society program

If other LAWYERS in the firm have bought up their Innocent Party protection, you must carry at least that same amount of increased Innocent Party protection. LAWPRO strongly recommends that the LOCUM, as well as LAWYERS in the contracting firm, apply for the full amount of Innocent Party protection available to ensure that they are well protected against CLAIMS that may arise out of DISHONEST acts.

If a CLAIM does arise in relation to LOCUM work, it is the LOCUM's policy coverage under the Law Society program that would respond.

If you are the contracting firm hiring a LOCUM

In the eyes of the client and others, you can anticipate that the LOCUM will be seen as acting as a member of the contracting firm. It is important that the contracting firm ensures that the LOCUM maintains program protection and coverage options that are consistent with both the LOCUM work and the coverage of the firm's other LAWYERS.

Firm LAWYERS should keep in mind the following: Limit protection for a CLAIM made against the LOCUM would not be increased by virtue of the program coverage maintained by other LAWYERS in the contracting firm; partners in the firm could find themselves responsible for paying the LOCUM'S program DEDUCTIBLE; and no protection is available in respect of allegations of damage to the goodwill and reputation of the firm. As well, the AGGREGATE limit protection provided to LOCUMS could also be eroded by CLAIM(S) that are not related to LOCUM work.

For more information on insurance coverage for LOCUMS, please contact the LAWPRO Customer Service Department at 416-598-5899 or 1-800-410-1013; email: service@lawpro.ca

14. DEDUCTIBLE option (Select only one DEDUCTIBLE option)

- Note:
- Each LAWYER practising in a LAW PARTNERSHIP (including general, MDP, CLF and LLP partnerships) or a LAW CORPORATION and each PARALEGAL PARTNER(S) OR SHAREHOLDER(S) (if applicable) **must** elect the same amount and type of DEDUCTIBLE as all other LAWYERS in the firm.

(B) Real Estate Practice Coverage Option

All LAWYERS who intend to practise REAL ESTATE LAW in Ontario in 2025, must be ELIGIBLE for and apply for this coverage option by indicating “yes” to question 15.(B).

This coverage option provides required insurance protection to ensure that members of the public, and Land Titles Assurance Fund, are protected against the registration of fraudulent instruments under the *Land Titles Act*.

In responding to this question, LAWYERS should recognize that the term “REAL ESTATE LAW” is a broadly defined term and is not limited to specific types of transactions, such as transfers or charges. Rather, the term is defined as follows:

REAL ESTATE LAW means the practice of the law of Canada, its provinces and territories, that concerns:

- i) the registration of any instrument under the *Land Titles Act*; and/or
- ii) the actual or contemplated transfer, charging, insuring, or otherwise affecting, an estate, right or interest in land;

and may include, without limitation, any one or more of the following services by a solicitor: the receipt of instructions, preparation of documents, searches and/or the providing of one or more opinions or certificates with respect to the title, transfer or charge, and/or with respect to the issuance of any title insurance policy.

Eligibility

This coverage is available only to ELIGIBLE LAWYERS. ELIGIBLE means eligible to practise REAL ESTATE LAW in Ontario as permitted by the Law Society of Ontario. The following categories of LAWYERS are not eligible for this coverage:

- those who are in bankruptcy;
- those who have been convicted or disciplined in connection with real estate fraud;
- those under investigation, where the Law Society obtains: an interlocutory suspension order or a restriction on the LAWYER'S practice prohibiting the LAWYER from practising real estate; or an undertaking not to practise real estate.

LAWYERS changing area of practice

If you cease to practise REAL ESTATE LAW in Ontario at some point in 2025, or if you commence the practice of REAL ESTATE LAW part way through the year, you will qualify for a premium adjustment for this option, pro-rated for the period during which you practise (practised) REAL ESTATE LAW, subject to the following criteria:

- a 30-day minimum premium; and
- only one premium adjustment per LAWYER for this option for the year (beyond this, the full \$100 annual premium would apply).

LAWYERS who commence the practice of REAL ESTATE LAW part way through the year should be sure to provide LAWPRO with a completed Application for Mid-Term Changes Form at least ten (10) days prior to the date that the requested change is to take effect. As such, the LAWYER may need to engage the services of another Real Estate lawyer to handle any Real Estate transactions in the interim. Please note that requests to add this coverage will not be backdated prior to the date we receive the completed form. The effective date of coverage will be the date this completed form is received by LAWPRO or the requested effective date, whichever is later.

[†] CLAIM expenses include costs of investigation, costs of REPAIRS and/or costs of LOSS PREVENTION

MAXIMUM PREMIUM DISCOUNT

³ The maximum premium discount for Restricted Area of Practice, Part-Time Practice options and the New Lawyer discount combined cannot exceed 50 per cent of the base premium.

LAWYERS who cease to practise REAL ESTATE LAW part way through the year and prefer not to continue to carry this coverage option, should provide LAWPRO with a completed Application for Mid-Term Changes Form, for any available reduction in premium to be applied, subject to the criteria above and **Return of premium** provision on page 15 of this Program Guide. Requests to remove this coverage will not be backdated prior to the date we receive the completed mid-term change form. The effective date of removal of this coverage will be the date this completed form is received by LAWPRO or the requested removal date, whichever is later.

16. Innocent Party Sublimit Coverage

Innocent Party Coverage

Coverage sublimit: \$250,000 per CLAIM/in the AGGREGATE per POLICY PERIOD, applicable to CLAIM expenses and/or indemnity payments together.[†]

Innocent Party Coverage Sublimit Buy-Up:

For LAWYERS practising in associations, partnerships and with others in a LAW CORPORATION

LAWYERS can increase their Innocent Party Coverage in two ways. To better avoid the possibility of gaps in insurance coverage between your primary program coverage and any excess insurance you or your firm might carry, LAWPRO **strongly recommends** that you buy up your Innocent Party Coverage sublimits to the maximum offered. All LAWYERS in a LAW PARTNERSHIP (including general, MDP and LLP partnerships) or LAW CORPORATION must select the same buy-up option.

Increase Coverage Sublimit to: *Annual Innocent Party Premium:*

\$500,000 per CLAIM/AGGREGATE \$75 per insured LAWYER

\$1 million per CLAIM/AGGREGATE \$125 per insured LAWYER

As is the case with the base sublimit, increased sublimits are also applicable to CLAIM expenses and/or indemnity payments together.[†]

To apply: If you want to increase your Innocent Party Sublimit, you must complete an Innocent Party Sublimit Buy-Up Application Form, available online on the LAWPRO website (lawpro.ca) or by calling the LAWPRO Customer Service Department at 416-598-5899 or 1-800-410-1013, email service@lawpro.ca

QUESTIONS AND ANSWERS

(Please also see our online FAQ [lawpro.ca/faqs/] for further information about the LAWPRO professional liability insurance program.)

About real estate practice coverage

Q: Who has to apply for this real estate practice coverage?

A: Any LAWYER intending to practise REAL ESTATE LAW in Ontario in 2025 must apply for this additional coverage under the LAWPRO policy.

“REAL ESTATE LAW” is a broadly defined term and is not limited to specific types of transactions, such as transfers or charges. Rather, the term is defined as follows:

REAL ESTATE LAW means the practice of the law of Canada, its provinces and territories, that concerns:

- i) the registration of any instrument under the *Land Titles Act*; and/or
 - ii) the actual or contemplated transfer, charging, insuring, or otherwise affecting, an estate, right or interest in land;
- and may include, without limitation, any one or more of the following services by a solicitor: the receipt of instructions, preparation of documents, searches and/or the providing of one or more opinions or certificates with respect to the title, transfer or charge, and/or with respect to the issuance of any title insurance policy.

Q: If only one LAWYER in our firm assumes responsibility for registering all transfers handled by our firm, do I and the others also have to have this real estate practice coverage in place?

A: Yes — all LAWYERS who practise REAL ESTATE LAW must apply for this coverage.

Q: Will the cost of the real estate practice coverage be discounted for part-time practitioners — i.e. will there be an equivalent 50 per cent premium discount for LAWYERS who practise REAL ESTATE LAW on a part-time basis?

A: No. This coverage provides specific protection against real estate fraud. Statistics indicate that the risk of fraud in real estate practice is not proportional to the volume of work processed. In other words, a LAWYER who practises on a part-time basis — or a LAWYER who does only very little real estate work as part of the LAWYER’S overall practice — is not less likely to generate a claim with a fraud component than a LAWYER who specializes in real estate on a full-time basis. A better indicator of the risk of real estate fraud is the absence of systems and controls in place in the real estate practice. Therefore, all LAWYERS conducting any REAL ESTATE LAW in Ontario must purchase this real estate practice coverage.

Q: What if I decide to change practice at some point during the year and stop practising any REAL ESTATE LAW?

A: The premium will be pro-rated and adjusted to reflect the amount of time you engaged in real estate practice, subject to:

- A 30-day minimum premium for this option; and
- Only one premium adjustment per LAWYER for this option for the year (beyond this, the full \$100 annual premium would apply).

If you cease to practise REAL ESTATE LAW part way through the year and prefer not to continue to carry this coverage, you should provide LAWPRO with a completed Application for Mid-Term Changes Form for any available reduction in premium to be applied, subject to the criteria above and **Return of premium** provision described on page 15 of this Program Guide. This form is available from our Customer Service department at service@lawpro.ca, tel. 416-598-5899 or 1-800-410-1013.

Q: If I intend only to practise REAL ESTATE LAW later in the year, do I need to apply for this coverage option now and pay for the whole of the year?

A: No. If you commence practising REAL ESTATE LAW part way through the year, you will qualify for a *pro rata* premium adjustment to reflect the amount of time not practising REAL ESTATE LAW, subject to:

- A 30-day minimum premium for this option;
- Only one premium adjustment per lawyer for this option for the year (beyond this, the full \$100 annual premium would apply); and
- The Return of premium provision described on page 15 of this Program Guide.

If you commence the practice of REAL ESTATE LAW part way through the year, you should be sure to provide LAWPRO with a completed Application for Mid-Term Changes Form at least ten (10) days prior to the date that the requested change is to take effect. This form is available from our Customer Service department at service@lawpro.ca; tel. 416-598-5899 or 1-800-410-1013.

Q: How does this coverage differ from Innocent Party Coverage?

A: This coverage goes beyond the Innocent Party protection that is carried by Ontario LAWYERS.

It differs from Innocent Party protection in a number of ways, including:

- All eligible real estate LAWYERS must carry this real estate practice coverage;

- Protection is limited to the registration of fraudulent instruments under the *Land Titles Act* where the LAWYER is the fraudster or implicated in the fraud, and does not apply to other types of circumstances involving fraud;
- This protection applies regardless of whether there was a retainer between the wronged party and the fraudulent LAWYER;
- The sub-limit protection is \$250,000 per CLAIM/\$1 million AGGREGATE, ensuring greater aggregate sub-limit protection than what is purchased by most LAWYERS for innocent party protection*;
- No protection is provided under this real estate practice coverage for registrations occurring prior to the new coverage coming into force, nor for CLAIM(S) to which title insurance would apply.

Q: I wish to add the Real Estate Practice Coverage Option to my insurance coverage and I require it ASAP. If I submit the appropriate executed form today, will the coverage be added immediately?

A: Due to the nature of this coverage, it is important that LAWPRO conduct its due diligence before adding this coverage. Therefore, it may take up to ten (10) business days to add the Real Estate Practice Coverage Option to your policy. As such, it may be necessary to engage the services of another real estate LAWYER to handle your real estate transactions in the interim.

About DEDUCTIBLES

Q: If I have a CLAIM, how much of the DEDUCTIBLE is called and at what stage in the CLAIM?

A: DEDUCTIBLES are applied as follows:

Where applicable to indemnity payments only:

- To judgments, arbitral awards and/or settlements, to the extent of any outstanding DEDUCTIBLE amount, when the judgment, arbitral awards and/or settlement is due.

Where applicable to CLAIM expenses and/or indemnity payments together:

- To covered investigation, REPAIR, LOSS PREVENTION, and defence expenses due or incurred when the Statement of Defence or responding material is filed, to the extent of 50 per cent of the DEDUCTIBLE amount;
- To covered investigation, REPAIR, LOSS PREVENTION, and defence expenses due or incurred at the time of commencement of examinations for discovery, or once examination begins, or once a settlement conference, pre-arbitration conference or pre-trial conference is conducted if no examination for discovery is held, to the extent of 50 per cent of the DEDUCTIBLE amount; and/or

- To judgments, arbitral awards and/or settlements, to the extent of any outstanding DEDUCTIBLE amount, when the judgment, arbitral awards and/or settlement is due.

Thus, a LAWYER with the standard \$5,000 DEDUCTIBLE applicable to CLAIM expenses and/or indemnity payments together[†] would be required to pay \$2,500 when a Statement of Defence or responding material is filed; and \$2,500 once examination for discovery begins or once a settlement conference, pre-arbitration conference or pre-trial conference is conducted if no examination for discovery is held, assuming that the covered investigation, REPAIR, LOSS PREVENTION, and defence costs incurred exceed these amounts.

However, if the CLAIM is settled prior to a Statement of Defence or other responding material being issued, the DEDUCTIBLE would apply to any indemnity payment only. If in this scenario the indemnity and/or repair was less than the \$5,000 DEDUCTIBLE, the LAWYER would be required to pay this lesser amount.

Take note that there are circumstances when a higher DEDUCTIBLE than indicated in the Declaration page may be imposed. These include CLAIM(S) relating to or arising out of ADMINISTRATIVE DISMISSALS, COUNTERFEIT CERTIFIED CHEQUE(S) OR COUNTERFEIT BANK DRAFT(S) or when one or more members of a LAW FIRM act for more than one person or organization having an apparent or alleged conflict of interest.

About part-time practice

Q: I've qualified as a part-time practitioner this year, and expect that I will again qualify for part-time practice in 2025, but am concerned that my billings for 2024 may go over the \$100,000 threshold for part-time practice because of one file I have taken on. Will I qualify for the discount?

A: The insurance POLICY stipulates that to qualify for the part-time practice premium discount, your professional time in law practice must be less than 750 hours per year (20 hours per week on average for each week worked, including time for undocketed work) and your gross billings cannot exceed \$100,000 annually, in the fiscal years commencing in 2024 and 2025.

If, at any point during the year you cease to qualify for the part-time practice criteria, you must immediately notify LAWPRO in writing, and you must pay the full insurance premium. Your premium will be adjusted retroactive to January 1 of that year or the inception date of your POLICY. You will no longer be eligible for the part-time practice option for the following year, since you must have practised on a part-time basis in the preceding fiscal year.

[†] CLAIM expenses include costs of investigation, costs of REPAIRS and/or costs of LOSS PREVENTION

* Those claiming exemption based on a temporary leave of absence or the mobility exemption are provided with coverage limits of \$1 million per CLAIM/\$2 million in the AGGREGATE, as detailed on page 23-25 of this guide.

About coverage when exempt

Q: What options are available to increase my insurance coverage?

A: If you are leaving active private practice (even if you resign your licence) and plan to claim an exemption in 2025, you are provided only with Run-Off Insurance Coverage of \$250,000 per CLAIM and in the AGGREGATE, (as detailed in Exemption Information on pages 23-25 of this guide).

You can apply to increase your liability insurance coverage in several ways:

- Increase Run-Off Coverage limits to either \$500,000 per CLAIM/ in the AGGREGATE, or \$1 million per CLAIM/\$2 million in the AGGREGATE for a term of anywhere from 2 to 5 years (with the option to further apply upon the expiry of that term). By topping-up your Run-Off Coverage like this, you are provided with increased limit protection for CLAIM(S) that may be made against you and reported to LAWPRO during this period.
- As part of your decision to increase your Run-Off Coverage, you can also apply to increase your Innocent Partner Coverage Sublimit to \$500,000 per CLAIM/in the AGGREGATE, or \$1 million per CLAIM/in the AGGREGATE (for potential criminal, malicious, fraudulent or DISHONEST acts of former partners or associates).
- If you are electing exemption on the basis that you are named or act in the capacity of estate trustee, trustee for an *inter vivos* trust, or attorney for property, as residual work from your former law practice in Ontario, you may also consider applying to have your Run-Off Coverage or increased Run-off Coverage expanded to also include protection in respect of these on-going services which you provide.
- Secure Excess Insurance Coverage: This is an option you may want to consider if you have already increased your Run-Off Coverage limits to the maximum. Excess Insurance Coverage limits from LAWPRO are renewed annually and range from \$1 million per CLAIM/\$1 million in the AGGREGATE to \$9 million per CLAIM/\$9 million in the AGGREGATE **above** the \$1 million per CLAIM/\$2 million in the AGGREGATE Run-Off Coverage maximum.

These limits are applicable to CLAIM expenses and/or indemnity payments together.[†]

Premiums for all of these optional insurance coverages vary from applicant to applicant. For specific information and a copy of a booklet

that more fully explains these options and how they may apply to your situation, contact our Customer Service Department at 416-598-5899 or 1-800-410-1013 or visit the LAWPRO website at lawpro.ca

Q: How much notice should I give LAWPRO if I intend to apply to increase my Run-Off Coverage protection?

A: If you are changing your status to exempt, and are interested in securing additional insurance protection, your application should be received by LAWPRO at least sixty (60) days before the desired coverage is to be in place, to ensure there is no gap in coverage and your desired coverage is in effect on the day you actually leave private practice.

About premiums and discounts

Q: If I qualify for the part-time practice and restricted area of practice criteria, will I receive a cumulative premium discount – that is, will I qualify for the 50 per cent discount for part-time practitioners plus an additional 50 per cent discount because I practice only criminal law?

A: No. The **maximum premium discount** for Restricted Area of Practice, Part-Time Practice options and the New Lawyer discount combined **cannot exceed 50 per cent of the base premium**.

Q: I retired from the active practice of law six months ago, but forgot to file an Exemption Form. If I file the form today, and put the effective date as of six months ago, can I get a prorated refund dating back six months?

A: A prorated refund would not be available dating back six months. Although some lawyers may take time to file their exemption form, prorated refunds are limited to the 30-day period immediately preceding LAWPRO's receipt of a completed application for exemption, and any subsequent period thereafter. Please note that any return of premiums arising under the 2025 LAWPRO policy is made payable to the original payor, unless otherwise requested by you and the original payor in writing. Although a refund may be issued relating to the 30-day period immediately preceding LAWPRO's receipt of a completed Exemption form, regretfully, for those carrying the Real Estate Practice Coverage option, we are not able to backdate for this 30-day period.

[†] CLAIM expenses include costs of investigation, costs of REPAIRS and/or costs of LOSS PREVENTION

About the Social Engineering sublimit

Q: What is Social Engineering?

A: **SOCIAL ENGINEERING** is defined at section (pp) of Part V of the Policy. **Without limiting or altering that definition**, it is the use of deception or manipulation to coerce you or your staff into divulging or transferring personal or confidential information or property. This includes, but is not limited to, actions by another party that intentionally induce a **LAWYER** or their staff to transfer funds or assets to the wrong party or account.

Q: Am I covered for losses connected to Social Engineering?

A: Exclusion (k) of Part III of the Policy applies to losses arising out of or connected to Social Engineering. Without limiting or altering that exclusion, any **CLAIM** in any way related to or arising out of **SOCIAL ENGINEERING**, is covered **only up to a sublimit of \$250,000**, unless the following protective steps have been taken:

- You have included in a **written retainer or other agreement** instructions for the receipt, release, and transfer of any funds or assets.
- You have advised in the written retainer or other agreement that the client or another party to which you owe a duty of care should not ordinarily expect to receive any revised instructions from you or your firm for the transfer of funds or assets.
- You have advised in the written retainer or agreement that, should the client or another party to which you owe a duty of care receive revised instructions for the transfer of funds or assets, they should immediately contact you by way of a **telephone number specified in the written retainer or other agreement**.
- If you or your staff receive any purported changes to the contact information of a client or other party to which you owe a duty of care, or any changes to established instructions for the transfer of funds or assets, **you confirm those purported changes** by either calling the said client or other party to which you owe a duty of care by using contact information previously confirmed to be that of the client or other party, or by meeting with the client or other party.
- You maintain in writing any updated contact information for a client or other party to which you owe a duty of care, and any updated instructions for the transfer of funds or assets.

Q: What happens if both the **CYBERCRIME** and **SOCIAL ENGINEERING** sublimits apply to a **CLAIM**?

A: Adherence to the preventative steps summarized above and set out in full at exclusion (k) of Part III of the Policy does not impact the application of any other limitation, sublimit, or aggregate limit in the Policy. The **CYBERCRIME** sublimit of \$250,000 applies to any **CLAIM** in any way related to or arising out of a **CYBERCRIME** whether or not the claim is also in any way related to or arising out of **SOCIAL ENGINEERING**.

EXEMPTION INFORMATION

Throughout this form, certain words have been capitalised to indicate that they have a specific meaning, as defined in the LAWPRO POLICY available online at lawpro.ca

Rules for Exemption Eligibility

The following Law Society of Ontario (SOCIETY) LAWYERS are eligible for exemption from payment of the insurance premium levies:

- (a) Any LAWYER who during the course of the year(s) will not engage in the practice of law in Ontario.
- (b) Any LAWYER who during the course of the year(s) will engage in the practice of law in Ontario on an occasional basis only and **will be resident in a Canadian jurisdiction other than Ontario**, who demonstrates proof of coverage for the LAWYER'S practice of law in Ontario under the mandatory professional liability insurance program of another Canadian jurisdiction, such coverage to be reasonably comparable in coverage and limits to professional liability insurance that is required under the SOCIETY's insurance plan (where "occasional basis" means, on an annual basis, not more than 10 matters).
- (c) Any LAWYER on a temporary leave of absence from the practice of law, provided that the temporary leave of absence is not more than 5 years if taken for reasons of family or illness, or not more than 2 years if taken for other reasons; this exemption shall not be available to a LAWYER who has taken alternative employment.
- (d) Any LAWYER who during the course of the year(s) will be employed by a single employer, and will engage in the practice of law only for and on behalf of the employer as: Counsel or solicitor to the Government of Canada or the Government of Ontario, a Crown Attorney, or a city solicitor, and will not engage in the practice of law in Ontario other than for and on behalf of the employer.
Any LAWYER employed as a law teacher during the course of the year(s), and who will not engage in the practice of law in Ontario other than teaching.
- (e) Any LAWYER who during the course of the year(s) will be employed by a single employer, and will engage in the practice of law only for and on behalf of the employer as counsel to a corporation other than a law corporation, and will not engage in the practice of law in Ontario other than for and on behalf of the employer. (N.B., this exemption is not available to LAWYERS under secondment from a LAW FIRM.)
- (f) Any LAWYER who during the course of the year(s),
 - will be employed or volunteer in a clinic (within the meaning of the *Legal Aid Services Act, 1998*), a student legal services organization, or an Aboriginal legal services corporation, that is funded by Legal Aid Ontario, but will not be directly employed by Legal Aid Ontario;
 - will engage in the practice of law only through the clinic, student legal aid services society, or Aboriginal legal services corporation, to individuals in communities served by the clinic, student legal aid services society, or Aboriginal legal services corporation, and will not otherwise engage in the practice of law in Ontario; and
 - demonstrates proof of coverage for such practice of law under a professional liability insurance policy issued by a licensed insurer in Canada, such coverage to be at least equivalent to that required under the SOCIETY's insurance plan.
- (g) Any LAWYER who during the course of the year(s) will be resident in a reciprocating jurisdiction and demonstrates proof of coverage for the LAWYER'S practice of law in Ontario under the mandatory professional liability insurance program of the reciprocating jurisdiction, such coverage to be reasonably comparable in coverage and limits to professional liability insurance that is required under the SOCIETY's insurance plan.

For all the above, "the practice of law" means the giving of legal advice respecting the laws of Ontario or Canada or providing any professional services of a barrister or solicitor for others.

For all the above, "employer" includes a single corporation as well as affiliated, controlled and subsidiary companies of the corporation or other entity employing the LAWYER. "affiliated," "controlled," and "subsidiary" are as defined under the *Securities Act*.

For exemption category (g), "resident" has the same meaning given it for the purposes of the *Income Tax Act (Canada)*. If, however, a LAWYER is resident in Québec and is called in Ontario and one or more Canadian jurisdictions other than Québec, the LAWYER will be deemed resident in Ontario or one of the reciprocating jurisdictions in which the LAWYER is a member, as determined in accordance with nationally consistent criteria set by the SOCIETY and law societies for the reciprocating jurisdictions. In the event that nationally consistent criteria are not in place, the LAWYER will be deemed resident in Ontario or the reciprocating jurisdiction in which the LAWYER has been authorized to engage in the practice of law continuously for the longest period of time.

Note: Certain words have been capitalised to indicate that they have a specific meaning, as defined in the LAWPRO POLICY available at lawpro.ca

“reciprocating jurisdiction”, subject to amendment to paragraph 9 under By-law 6 of the *Law Society Act*, R.S.O. 1990, c.L.8., means a Canadian jurisdiction other than Ontario or Québec,

- (i) which is a signatory to:
 - (a) prior to January 1, 2014, the National Mobility Agreement originally entered into in December 2002 by the SOCIETY, the Law Society of British Columbia, The Law Society of Alberta, the Law Society of Saskatchewan, The Law Society of Manitoba, The Barreau du Québec, the Nova Scotia Barristers’ Society and the Law Society of Newfoundland;
 - (b) beginning January 1, 2014, the National Mobility Agreement entered into in October 2013 by the SOCIETY, the Law Society of British Columbia, The Law Society of Alberta, the Law Society of Saskatchewan, The Law Society of Manitoba, The Barreau du Québec, the Chambre des Notaires du Québec, The Law Society of New Brunswick, the Nova Scotia Barristers’ Society, the Law Society of Prince Edward Island and the Law Society of Newfoundland and Labrador; or
 - (c) the Territorial Mobility Agreement originally entered into in November 2011 by the SOCIETY, the Law Society of Yukon, the Law Society of the Northwest Territories, the Law Society of Nunavut, the Law Society of British Columbia, The Law Society of Alberta, the Law Society of Saskatchewan, The Law Society of Manitoba, The Barreau du Québec, the Law Society of New Brunswick, the Nova Scotia Barristers’ Society, the Law Society of Prince Edward Island and the Law Society of Newfoundland and Labrador;
- (ii) in which a LAWYER is authorized to engage in the practice of law; and
- (iii) which would exempt the LAWYER from its mandatory professional liability insurance program if the LAWYER were resident in Ontario and demonstrated proof of coverage for the LAWYER’S practice of law in the jurisdiction under the Society’s insurance plan which was reasonably comparable in coverage and limits to the professional liability insurance that would otherwise be required of the LAWYER by the jurisdiction.

Note: LAWYERS who are called as lawyers in Québec or acting as Special Canadian Legal Advisor members of the Chambre des Notaires du Québec, and who are called in more than one Canadian jurisdiction other than Québec, are eligible for exemption under this eligibility rule (g), provided the above criteria are met.

- (h) Any LAWYER who during the course of the year(s) will act in the capacity of an estate trustee, a trustee for *inter vivos* trust, or an attorney for property in respect of an estate, a trust or a property of a person other than a related person of the LAWYER of which the LAWYER was named as estate trustee, trustee or attorney while the LAWYER was engaged in the practice of law in Ontario, and
 - (i) will not otherwise engage in the practice of law in Ontario, or
 - (ii) who otherwise qualifies for exemption under:
 - eligibility rule (d) employed LAWYER — employed in government or education,
 - eligibility rule (e) employed LAWYER — employed as in-house corporate counsel, or
 - eligibility rule (f) employed or volunteer LAWYER — legal aid clinic,
- and will not engage in the practice of law in Ontario other than as provided for herein or under eligibility rule (d), (e) or (f) for which the LAWYER would otherwise qualify.

Note: LAWYERS acting in the capacity of estate trustee, trustee for *inter vivos* trust, or attorney for property as described in (h) above, but otherwise qualifying for exemption under eligibility rules (a), (d), (e) or (f) above, would select eligibility rule (h) if electing exemption under the program. LAWYERS named or acting only in respect of members of their own family, however, would not be included in this, so would select eligibility rule (a), (d), (e) or (f) as appropriate. For this purpose, members of the LAWYER’S own family, means “related persons” as defined under section 251(2) of the *Income Tax Act* (Canada).

Any LAWYER who would otherwise be exempt from the payment of insurance premium levies, but will provide PROFESSIONAL SERVICES to or on behalf of a non-profit organization on a *pro bono* basis, and wishes to remain eligible for exemption from the payment of the insurance premiums and levies, should contact Lawyers’ Professional Indemnity Company (LAWPRO).

Insurance Coverage While Exempt

There is no coverage for PROFESSIONAL SERVICES provided by the LAWYER during any period of exemption under the program.

The only exceptions to this are:

- with respect to PRO BONO SERVICES provided through an approved *pro bono* PROFESSIONAL SERVICES program associated with Pro Bono Ontario;
- PROFESSIONAL SERVICES provided prior to January 1, 2017 in the course of employment for a DESIGNATED AGENCY(IES) employer;

- certain mentoring services provided pursuant to LAWPRO-approved risk management protocols; and
- where application is received and additional coverage specifically purchased for certain services as estate trustee, trustee for *inter vivos* trust, or attorney for property.

Eligibility rules (a), (b), (d), (e), (f) and (h)

LAWYERS applying for exemption from the payment of liability insurance premium levies under eligibility rules (a), (b), (d), (e), (f) and (h) in 2025 are provided with reduced limits of liability of \$250,000 per CLAIM and in the AGGREGATE, subject to a \$5,000 DEDUCTIBLE per CLAIM and subject to any prior CLAIMS reported while exempt under these Rules for Exemption Eligibility, as further described below.

This coverage is provided at no charge to the LAWYER. The coverage limits and DEDUCTIBLE are applicable to CLAIM expenses and/or indemnity payments together.[†]

This coverage is in place from the date that the LAWYER first applies for exemption under any of these eligibility rules, and remains in place for that period or those periods of time during which the LAWYER is exempt, until exhausted by CLAIM payments or until the Law Society of Ontario no longer maintains the program insurance coverage through LAWPRO. The AGGREGATE POLICY limit is not reinstated annually, or otherwise.

LAWYERS who have been granted an exemption may apply to increase their Run-Off Coverage protection. This may be to apply to increase their limits of liability for Run-Off Coverage protection, and for those electing eligibility rule (h), may also be to expand the scope of their Run-Off Coverage protection and/or increased Run-Off Coverage protection to also apply to certain services as estate trustee, trustee for *inter vivos* trust, or attorney for property. For more information and an Application to Increase Run-Off Coverage, please contact the LAWPRO Customer Service Department. Forms also are available on the LAWPRO website at lawpro.ca

Eligibility rule (c)

LAWYERS who apply for exemption under eligibility rule (c) commencing at the outset of 2025 are provided with the standard practice POLICY coverage limits of \$1 million per CLAIM/\$2 million in the AGGREGATE and DEDUCTIBLE of \$5,000 per CLAIM, applicable to CLAIM expenses and/or indemnity payments together.[†] In the case of LAWYERS who apply for exemption under rule (c) commencing during the course of 2025, the LAWYER'S current POLICY limit coverage continues in place. The coverage limits are applicable to CLAIM expenses and/or indemnity payments together.[†]

Eligibility rule (g)

LAWYERS applying for exemption from the payment of liability insurance premium levies under eligibility rule (g) in 2025 are provided with Run-Off Coverage, but only for those CLAIM(S) for which notice is subsequently given to LAWPRO which arise out of the LAWYER'S earlier practice in Ontario, provided that the LAWYER practised in Ontario on a permanent basis at the time that the professional services giving rise to the CLAIM(S) were performed, and provided that the LAWYER maintained the full practice coverage under the program in Ontario at the time.

This Run-Off Coverage is provided to the LAWYER at no charge, and is subject to limits of \$1 million per CLAIM/\$2 million in the AGGREGATE (reinstated annually), with a DEDUCTIBLE of \$5,000 per CLAIM. The coverage limits and DEDUCTIBLE are applicable to CLAIM expenses and/or indemnity payments together.[†]

CLAIM(S) relating to the LAWYER'S ongoing private practice in the reciprocating jurisdiction are to be covered in the ordinary course under the LAWYER'S practice policy under the reciprocating jurisdiction's mandatory insurance program.
